Cooperative CONNECTIONS

Inside This Issue

- A Special Edition of Our Newsletter, Featuring Local Businesses Providing Discounts to Folks With a Co-op Connections Card!

Help Those In Need!

Your Cooperative has again launched its Operation Share Partnership with the Salvation Army. Operation Share is a program that benefits DEC members who have fallen on hard times and may have problems paying their bills. The Salvation Army, an organization with a long history of helping others, is able to identify those who have experienced unfortunate circumstances. During the winter months, the Co-op includes an Operation Share envelope in two of its monthly bills. This gives DEC members a unique opportunity to contribute to their fellow members, who are in need. The Salvation Army administers the funds and makes all decisions on eligibility and fund distribution.

Donations can be sent to:
